Do let me know when you are interested!

You are aware of the invisible world. It inspires and fascinates you. Now what?

You and your Spirit Guides, an in-depth course

For

the one who is curious about his relationship with guides and spirits.
the one that feels there is something bigger than himself inviting him to connect.
the person who keeps looking for explanations of experiences that remain a mystery.

To

find out how intuitive you are and how to use that in your daily life.
explore your relationship with the invisible and exchange experiences with others.
hear about the senses, mediumship, angels, and extraterrestrial life.

You will

focus on what, consciously or unconsciously, protects and inspires you.
recognize your blocks and do something about it.
research the way the invisible makes itself known to you.
become confident in dealing with the unknown and radiate this confidence.

Date

The weekend of Saturday 6 and Sunday 7 June 2020.

We start with coffee at 10.15 h and work both days from 10.30 h to 17.00 h. The location is near Amsterdam.
I will send the address to you over time.

Exchange

When you like to participate, let me know by email. You will then receive an invoice and a route description. The exchange is € 250 for the weekend, including VAT, handouts, coffee, tea, and cookies. The amount must be transferred no later than 1 May. Your registration is final after payment of the entire amount. You can cancel without costs until 7 May 2020 less a 10% cancellation fee. Until 15 May, half of the amount is due. After that, the full amount. If I have to cancel the event all money will be refunded in full.

Important

Due to the nature of the course, each participant must agree to attend both days. Apart from unforeseen circumstances, of course. This course may include ideas and experiences that are sensitive. Privacy and mutual trust are essential.

As a coach, I am responsible for the safety and energy of the group. I may address a participant about their behavior to be able to hold the space for everyone.

Those who would like to know where they stand with their guides can get clarity in a personal session with me before the course. When you have questions, feel free to email me.
